CLUB NOTES

SIX LEAGUE GAMES WITHOUT A WIN

The outlook has become a little brighter since our last programme Notes of November 6th, with two points added to what is not quite a point-a-game total through drawn games with Wolves (by 2—2 at Deepdale) and Norwich (1—1 away). In each instance an improved North End were well worthy of a draw, even a win.

A spirited, determined rally against the Wolves roused the crowd's enthusiasm to fever-pitch. Two goals down at half-time, both being in the nature of gifts, had a depressing affect all round, except on the rather over-confident, and few supporters at the half way stage would have given much for North End's chances.

To the spectators' delight the team fought back with tremendous vim to put this match in the category of many thrillers in clashes at Deepdale with Wolverhampton. Goal packing failed to prevent North End reducing the lead from a well-earned goal by Frank Lee. Excitement rose as one escape followed another.

Wolves had more than their share of luck in this respect, especially when a great shot by Ernie Hannigan flew to safety off someone's head, the defender not knowing much about it, if anything; and North End did not help themselves by missing likely looking chances. It was great stuff for the crowd.

However, when it seemed the Wolves might yet scrape through to win, a free kick a few minutes from time resulted in a shot by Howard Kendall being deflected by an opponent for a well-earned equaliser. In a terrific finish Wolves barely held out. There is no doubt that they were staggered by our fighting spirit.

CLUB NOTES—*continued*

Our defence in the main showed more solidarity than in the three previous games which had debited us with 13 goals. The return of Jim Smith and Tony Singleton was beneficial through their considerable experience and renewed confidence. It was their first senior game since September 4th, both having missed 13.

Their previous outing was at Leyton, where Smith had a collar bone broken. It will be recalled that on the same ground last April we had cruel luck in that Alan Kelly had a collar bone fractured and Howard Kendall, not long back in the side, took another knock and finished a semi-passenger.

At Norwich North End maintained the improvement shown against Wolves, not least in both wing forwards positions. This was a grim struggle between well-matched sides with no letting up in fast-moving attacks and the defenders uppermost. The two goals were scored in the first half within a minute of each other.

Malcolm Lucas put Norwich ahead with a powerful shot following a free kick, and Brian Godfrey turned good work by Hannigan and Dawson to account by snapping a prompt equaliser. North End's defence was first-rate under strong pressure, there being a good understanding all round, and John Barton had a fine second half.

Victory today would be more than welcome if only for the fact that the home fans have not seen a win in the League since Crystal Palace were beaten by 2—0 late in September. The following week we won at Carlisle and in October had a League Cup success at Huddersfield. But our last six matches in Division II have resulted in three draws and three defeats, by six goals (for) to 13.

It is pleasing to report that the Reserves continue to shine, having played seven successive Central League games without defeat in rising to a higher position in the table then has been reached for some years. In addition the side won a Lancashire Senior Cup-tie against Manchester United (away) by 1—0.

North End's annual financial statement, out to-day, records a nett loss for the year of £19,490, due mainly to a considerable reduction in income from the F.A. Cup, and a slight drop in attendance at first team matches. A most gratifying contribution was a donation of £6,435 from the Supporters' Club. The directors are most grateful to this organisation and members for their continued support.

WORLD CUP FINALS

The opening game of the World Cup Final Series at Wembley Stadium has been brought forward from the original date of Tuesday, July 12th to Monday, July 11th.

This alteration has been made so that the official Opening Ceremony can be staged in an appropriate fashion, at a time when no other eighth-final matches at provincial venues are being played.

With the additional alteration of the time of the match to be played at Wembley on Tuesday, July 19th, to 4-30 p.m., the dates and kick-off times for all of the 32 matches, extending over a period of 20 days, have now been finalised.

The change of date for the opening game will make it possible for representatives of National Associations and supporters who might wish to be present at the Opening Ceremony, before proceeding to the other group areas, to do so.

If they have already made their journeys, they will still have the opportunity of seeing the ceremony televised.

OUR VISITORS—*Bury*

Greetings and the warmest of welcomes to Bury, that great little Lancashire club which has overcome all sorts of difficulties over the years and still bravely kept the League flag flying at Gigg-Lane. Until the last season or two Bury still had an average "gate" of 10,000, this out of a local population of only 60,000.

In common with other clubs not in the big city category Bury's attendances have since suffered a decline. Last season the average at Gigg-lane for League matches was 7,783, which must make many wonder how they manage to keep going in Division II, save by very shrewd and careful management "on a shoestring".

At their home match v. Crystal Palace last Saturday the crowd numbered 7,689, but there were 12,568 present this week for the visit of their Bolton neighbours. Both matches were drawn. Bury lost a 2—0 lead against Palace, Parry and Pointer having scored in 25 minutes, and on Tuesday lost a 1—0 lead against Bolton.

Even so these were precious points for Bury who again find themselves in a struggle to keep in Division II. We are glad to have them here again still in this company. The nature of their task, however, is evident from the table positions, which show Bury near the bottom with 14 points. Many others are in this tricky swim, witness the fact that only three points separate the 12th and 21st clubs.

Bury's story goes back to 1885, since when they have produced practically all their many fine players without payment of transfer fees. Familiar faces missing now are those of Harry Bunner, Alex Alston and Ernie Yard (who scored for Palace against his former club on Saturday).

OUR VISITORS—*Continued*

Newcomers include John Bray (Blackburn Rovers), Ray Pointer (Burnley), John Maltby (Darlington, and previously Sunderland), and Rob Bird (Bradford P. A, after services with Birmingham). They seem to have fitted usefully into the team. Last season our matches with Bury were drawn, 2—2 at Deepdale, 1—1 at Gig-lane. Bury finished 16th in the Division with 38 points, scoring 60 goals to 66.

Bury's nickname "The Shakers" is derived from the record Cup Final score when they defeated Derby County 6—0 at the Crystal Palace in 1903, only three years after their Cup Final victory against Southampton by 4—0. In the 1903 series Bury scored 12 without reply. Many of the younger generation are unaware that Bury were a First Division club from 1895 to 1912, and from 1924 to 1929.

BURY PLAYERS

Chris Harker (*Goalkeeper*). Born Shiremoor, 5ft 10ins., 13st. Previously with Aberdeen. Missed only one League match last campaign.

John Bray (*Right Back*). Valuable acquisition from Blackburn Rovers, with whom he could not get a regular place. 5ft 10; 11st 12lb. Born Rishton.

Vincent Leech (*Left Back*). Another Lancashire Lad, born Rochdale, and also from Blackburn Rovers. 5ft. 7½ins., 11st. Made 38 League appearances last term.

Colin Bell (*Right Half*). This locally produced youngster with a famous name is a natural footballer whose promise as a ball player and in linking defence with attack has attracted attention. Converted from inside forward. A Tynesider.

Eddie Colquhoun (*Centre Half*). Born Preston Pans, 5ft 10½ins., 11st 4lb. A product of Bury juniors, played in 16 League games last season.

Ray Parry (*Left Half*). Former forward who needs no introduction in these parts, through previous service with Blackpool and his native Bolton. 5ft. 9½ins, 11st.

Tom Claxton (*Outside Right*). Developed from the junior ranks. Only 20 and rated a good prospect at Bury as successor of tricky Eddie Kilshaw. Born Rochdale.

Bill Griffin (*Inside Right*). Among the few who have cost Bury any money. This penetrative raider—he scored 10 goals in his 36 League games last season—was signed from Sheffield Wednesday for around £9,000 and has been worth it. He is a thoughtful type who needs watching. Born Doncaster.

Ray Pointer (*Centre Forward*). English international who was capped three times in 1962 when Burnley's dynamic, sharpshooting leader. Produced at Turf Moor, is enjoying a new lease of life at Gigg-lane. Born Cramlington.

John Maltby (*Inside Left*). Newcomer signed midsummer from Darlington for whom he scored 15 goals in 35 League games last season. Born Consett, and started with Sunderland, being on their books for four years.

Ron Bird (*Outside Left*). Born at Erdington he developed with Birmingham and moved on to Bradford P.A., Bury signing him in September. Last term 15 goals, 33 games.

Jim Kerr (*Substitute*). A Glasgow-born amateur who was 16 in September, but has already had his League debut with Bury, making the grade from the juniors.

POLICE NOTICE TO CAR PARKERS

The co-operation is sought of all motorists who attend Football Matches at Preston North End. It is particularly requested that full use should be made of the car parks which are provided.

Indiscriminate parking of motor vehicles in side streets and upon grass verges causes serious obstruction, annoyance to residents and pedestrians, and damage to grass verges. Where side streets are used for parking, this must be on one side only so as to facilitate the free flow of traffic. Cars must not be left in dangerous positions, obstructing road junctions or across garage entrances.

The Police hope that all motorists will comply with this notice. By so doing they will avoid being prosecuted for inconsiderate use of the highway.

SUPPORTERS' CLUB NOTES

On Saturday, November 27th, the clock will be turned back for a famous Preston footballer at the North End Supporters' Club.

As the highlight of a gala dance for members, the ball used in the 1938 F.A. Cup Final, Preston v. Huddersfield, will be presented to George Mutch scorer of the only goal. A news film will be shown of what was probably the most dramatic incident ever to occur at a Wembley Final.

For Mutch this will be a moment of very special significance, for he was the player in the 1938 Final who, with the score 0—0, was called on to take a penalty in the final seconds of extra time. He converted the spot-kick to snatch a thrilling victory for Preston.

When a "Daily Mirror" reader recently contacted the Northern Sports Editor this newspaper, informing him that she had the ball and was prepared to make it available, it was immediately decided to present it to the man to whom it would mean the most.

George Mutch, now a school teacher living at Ferryhill Place, Aberdeen and his wife accepted an invitation to attend as guests of the "Daily Mirror", and Geoff Beardwood, secretary of the Supporters' Club, arranged for the presentation to take place at the Club's splendid modern premises.

At approximately 9 p.m. it will be made by one of the greatest of post-war footballers, Tom Finney, President of the Supporters' Club.

In addition to the ball, Mutch will also receive the 16 mm three-minute film sequence, obtained, by the "Daily Mirror" from British Movietone News.
